LEWISTON AREA
CHAMBER OF COMMERCE
Lewiston, Michigan

Dear Members and Prospective Members,

A strong community builds a strong local economy—and every member helps shape Lewiston's future.

At the Lewiston Area Chamber of Commerce, we bring businesses, organizations, and community partners together to support local success. Through our partnerships with the Lewiston Downtown Development Authority and Albert Township, we work toward a shared goal: a welcoming, vibrant community where businesses and residents can thrive.

Chamber membership is an investment in your business and the community you call home. It offers opportunities to build relationships, increase visibility, access resources and member benefits, and connect with others who care about Lewiston's future.

Our membership drive opens December 1st! We invite current members to renew their commitment and prospective members to join us. Whether you operate a longtime business, are starting something new, or want to become more involved, your participation matters.

Help lead the way—join the Chamber Board of Directors. We invite members who are passionate about our community to express their interest in serving on the board. This is an opportunity to share your experience, contribute ideas, and help guide the Chamber's priorities, events, and initiatives.

Interested members should send a letter of interest to lewistonchamberoffice@gmail.com by November 25, 2026. Please share a little about yourself, your connection to the community, and why you would like to serve. Board expectations are available on the Chamber website at www.lewistonchamber.com.

Our mission is simple: to support, promote, and attract business to our area for a brighter future in a thriving, prosperous community.

Together, we can strengthen our local economy, celebrate our small-town character, and make Lewiston a wonderful place to live, work, visit, and enjoy all four seasons.

Thank you for your support, your ideas, and the work you do every day to help our community flourish. We look forward to serving you and building the year ahead together.

Warm regards,

Board of Directors
Lewiston Area Chamber of Commerce
